

PROJECT NAME: Transit Authority 3500 South Bus Rapid Transit Extension Phase 3

RECIPIENT: Utah Transit Authority

LOCATION: Salt Lake City, Utah

PURPOSE: This project converts the 3500 South Bus Rapid Transit (BRT) from a shared-lane system to a center-running dedicated guide-way between Market Street and 5600 West in West Valley City. The project will increase the speed and on-time performance of the BRT system by allowing buses to operate in exclusive lanes instead of sharing lanes with automobile traffic.

AMOUNT: \$3,500,000
